Gift Aid Declaration

I want do not want The **Cambridge Nazareth Trust** to treat this and all future contributions as GIFT AID donations.

(This declaration enables the Trust to recover a tax refund)

I understand that I must be paying an amount of income tax and/or capital gains tax at least equal to the tax that the Charity claims on my donations (currently 28 pence for each pound you give). You can cancel this declaration at any time.

If, in the future, you do not pay tax equal to that which is claimed then cancel the declaration. If you pay tax at the higher rate you can claim further tax relief in your Self Assessment. Please notify the charity if you change your name or address.

Advent 2003 - A Spiritual walk

We asked you in our Pentecost 2003 newsletter to help your parish become more aware of the needs of those in the Holy Land and the work of the CNT.

We now invite all parishes to join in an Advent walk — a spiritual journey with the Patriarch and our fellow Christians in the Holy Land during the four Sundays of Advent.

There are devotions, suitable for Holy Hour, or private prayer, available on request or from our website. These link the Advent themes with the situation of the Christians in the Holy Land.

- *1st Sunday* - "Be not afraid"
- *2nd Sunday* - "We await the day of the Lord when His work in us will be complete"
- *3rd Sunday* - "Celebrate the Good News of our redemption"
- *4th Sunday* - "God prepares Mary for Christ to fill the world with peace."
- *A daily reflection for each day in Advent*
- *Full text of Patriarch's interview with the Trustees.*

In addition, do listen to *Good Morning Sunday* during this season hosted by Don Maclean on BBC Radio Two 7am to 9am

To obtain a FREE information pack, write to the Promotions Secretary, giving your name, contact information and your local parish or school and you will receive:

- **ADVENT THEMES:** The texts for the Reflections mentioned above.
- **POSTERS:** set of four A3: one generally eye catching and three that are school specific including details of successful projects.
- **VIDEO:** shows pupils in the Latin Patriarchate Schools, interviews with the Head teachers and those working hard to support the Christian children in the Holy Land.
- **NEWSLETTERS:** A pack of 100. If you need more please tell us when you apply.

Helping Young People of the Holy Land

Today... for all their Tomorrows...

Dear Reader

For many years I was officially involved in the work of the Bishops of England and Wales for Justice and Peace. I am convinced that an essential key for a just and peaceful world is the Holy Land. In that place, not least in Jerusalem, the stories of the children of Abraham — Jewish, Christian and Muslim — are bound together. I have been blest by accepting the invitation of Cardinal Murphy O'Connor to represent the bishops of England and Wales at a yearly meeting each January in the Holy Land, a meeting which seeks to support our Christian sisters and brothers there, and in particular the prayer and labour of the patriarch Archbishop Sabbah.

The task which the Christians accept is this: they must always, as they name injustice wherever it is found, be clearly those who are born from and live by the reconciling death of our Lord on the cross of Golgotha. I am certain that the passionate affection of those of the Jewish faith for the Temple Mount, and of those of the Muslim faith for the Mosques in that very same place, can only find reconciliation in the death on Calvary so near at hand and the empty tomb first visited early one Sunday morning in Spring.

There is the manifest need for the Christian family to be faithful, forgiving, merciful and filled with hope. In nourishing this family the Patriarch relies greatly on schooling. The events of the past years have made poverty so great that it is extremely difficult for the schools to be provided with the teachers and resources they need. I know that the people of the Holy Land are extremely grateful for the support they receive from this Cambridge Nazareth Trust and I commend their work to your generosity.

In the words of the Psalm: For the Peace of Jerusalem pray.

CNT Educational Sponsorship Scheme

Over £175,000 has now been raised and £135,000 sent out to the Holy Land schools during 2002 and 2003. *A really marvellous response!*

CNT Trustees received a warm welcome on their visit to our sponsored schools and saw the tremendous impact CNT has had on the learning environment

...Invite your Parish to join Holy Land Christians during Advent...

Latin Patriarch HB Michel Sabbah responds to questions from CNT Trustee David Smith.

If you were talking directly to a parish in England, what would you say to them to invite them to walk with you?

I will tell them this land, this church of Jerusalem is your church, the church where every Christian is born. You belong to your own diocese, to your own parish in England but you belong as well spiritually to the parishes of the holy land.

For the churches walking with us, it is a walk of faith, it is a walk to witness to Jesus in his land; and here as church, as a small community, we need this common walk, this fraternal walk of all the churches.

Be present with us in your prayers for peace and justice and also through your generosity because now the charity of all Christians is needed in order to help Christians, even materially, to survive in the holy land.

David Smith

Do you have a prayer you can leave with us?

"May God remember His land; He has chosen this land; He has loved this land; He has loved the human beings who are in the land.

And now, He seems to be far, He seems to leave the people to themselves, to the evil which is in themselves; the evil of war, of violence, of bloodshed.

We say: Lord remember your people whom you loved, whom you love until now and manifest in a concrete way your love for us; give us peace and justice."

A New Venture

Links are being formed between pupils of St Thomas Aquinas in Milton Keynes and Hashimi, Jordan.

Hashimi:

Hashimi now has a new science laboratory and earlier this year CNT provided the resources for a new playground.

Verdict of the Trustees

An inspirational visit with unforgettable hospitality. There is a very warm Christian ethos in all the schools.

In spite of all the troubles that beset the Holy Land, teachers and pupils are full of enthusiasm to try and achieve high standards.

CNT money has been well used and the whole school community has been involved in the re-decoration of the classrooms. A real transformation.

Beit Sahour

New classroom, desks, equipment and high aspirations from this group of 17 year olds. Asked by Peter Smith what their career intentions were they revealed: one astronaut, one pilot; two doctors; two scientists and one lawyer.

Fuheis

Building bridges of support and receiving a warm welcome. Left to right: Fr Hanna Kildani, Tony Ockenden, Headmaster Mwaffaq Ziadett, Peter Smith and Pat Richardson, Trustees.

Building Bridges: Bridging the road between the old kindergarten and the main school — a safe crossing for staff and children to refurbished classrooms.
