

Helping young people of the Holy Land to have a bright future...

## CNT Responds to Holy Land Crisis

## A Big Thank You to Our Supporters

Zooming in to a classroom in Ramallah in October

Dear Supporters

December 2020

Covid has hit the Holy Land hard. Thanks to your support and prayers, we have been able to continue CNT's mission of supporting young people in the Holy Land.

The young depend on teacher motivation and skills. Our contribution for some years has been to teacher development with on-site English language teaching courses in Jordan and in Palestine.

Covid changed everything. On-site visits were ruled out and CNT responded promptly with humanitarian aid and internet-based training.

In March, CNT sent £5,000 to Iraqi Christian refugee children in the Catholic parish school in Marka in Jordan for their education and basic necessities. In September, we sent a further £5,000 to provide needy children in Zababdeh and Gaza, both in Palestine, with books, school uniforms and school bags.

Lewis Language School tutors in Southampton were the providers of our on-site courses. Since March, they have responded magnificently with online tuition, giving 95 teachers professional training and, most importantly, moral and emotional support.

This letter summarises what has happened this year and further details follow, including responses from recipients of your support. Their words speak eloquently of their appreciation. Please help us to keep supporting them, especially with your prayers but however else you can. The prayers and thanks of CNT and those whom you have supported are with you.

The Trustees of CNT wish you a blessed and happy Christmas and a better 2021
